Tonight at their monthly meeting the Bay County Democratic Party unanimously passed a Resolution urging Democratic legislators to reject any budget proposal that eliminates the Michigan Promise Scholarship. The Resolution, previously passed by the Bay County Young Democrats is available on the Party's website [www.baycountydems.org](http://www.baycountydems.org). The motion was made at the close of a report by Young Democrats Chairperson Spencer Tobias on the BCYD's resolution last week.

"I'm incredibly pleased that the Bay County Democratic Party is supporting our actions," said BCYD chairperson Spencer Tobias. "It just goes to show that this scholarship is not a students-only issue. Keeping the Promise is something that Democrats across the board should be pledging to do."
